

You've Been Flocked!

BUT DON'T DESPAIR - a fundraiser is being conducted by the Eatonville Family Agency and this flock of **EFA Orange Flamingos** has gathered upon your property to roost. In case you didn't know this, **EFA Orange Flamingos** are very territorial and unless they are professionally relocated on someone else's lawn, they will roost on your property for an eternity! Removal of **EFA Orange Flamingos** should only be attempted by trained professionals. Fortunately, our Flamingo Removal Technicians are highly skilled and ready to assist you.

Please check the options below that apply and we will send a team out to remove these pesky, but very lovable, orange birds:

- I would like to make a suggested donation of **\$15** toward the removal of the **EFA Orange Flamingos**.
- I would like to have this flock land in the following person's yard for a donation of **\$25**.
Name _____ Phone _____
Address _____
- I appreciate the flocking but am not able to donate funds at this time.

The Eatonville Family Agency is working hard to raise funds for our charitable causes which include the Food Bank as well as many other social services and community programs that serve individuals, families and senior citizens in our community. We hope that you've enjoyed this surprise flocking and appreciate the spirit and good will with which it was intended.
